for Sb Accounting & Consulting

SPORTISIMO BG EOOD has been working with Sb Accounting & Consulting since the establishment of our Bulgarian operations in 2019. Since then, Sb has been providing us with comprehensive bookkeeping and accounting services, supporting our day-to-day financial operations as well as our statutory accounting and reporting obligations in Bulgaria.

Throughout our long-standing cooperation, the Sb team has consistently demonstrated professionalism, reliability and responsiveness, combined with a strong understanding of local accounting requirements and our business needs. They respond promptly to our requests, provide clear and practical guidance and support us in handling our accounting processes accurately and efficiently.

We particularly value the continuity and stability of our cooperation and the confidence of having a dependable local partner. We are very satisfied with the quality of the services provided and are pleased to recommend Sb Accounting & Consulting as a professional and reliable partner for comprehensive bookkeeping and accounting services in Bulgaria.
